

## Section N

### Code Lists

This Section lists valid codes for several data elements. The original source of each code list is noted. These valid code lists are provided as a convenience for our data providers, and are intended to be a simple repetition of code lists available elsewhere. In no case have codes been purposely omitted or deleted. If at any time you believe that NHDOL is rejecting a valid code, please let us know by sending e-mail to: [EDI@dol.nh.gov](mailto:EDI@dol.nh.gov)

These codes are the current code tables as defined by Workers Compensation Insurance Organizations, <https://www.iisprojects.com/WCIO/bin/view/PublicView/ProductsWCIO>.

*Industry Codes:* Up till now NHDOL has used SIC codes for industry codes, NHDOL will adopt the North American Industry Classification System (NAICS) industry codes for purposes of EDI. <http://www.census.gov/epcd/www/naics.html> this code list is too big to publish in this document. The current Code list of industries can be found at their WEB site.
